

# BLACK NOTE GRAFFITI®

## Place You Lie Lyrics

You fell to everything  
Sold your soul  
but you don't wanna lose control  
Let's just see let's just see  
And you say and you say

Stop with it  
Break through it  
Stop with it  
Break through it

Your words are caught in between  
You'll just see you'll just see  
And you say and you say

Stop with it  
Break through it  
Stop with it  
Stop self distraction  
Don't fall back to the place you lie

I can try  
To resist  
The divide  
Echoing  
Only self  
Sacrifice

I can try  
To resist  
The divide  
Echoing  
Only self  
Sacrifice

Only Self  
Sacrifice

Stop with it  
Break through it  
Stop with it  
Stop self distraction  
Don't fall back to the place you lie
